Dear Sir/Madam,

SUB: CAMEX LIMITED EXPANDS ITS BUSINESS BY SETTING UP A NEW PLASTIC CHEMICALS PLANTS AT GIDC ANKLESHWAR.

We are happy to inform you that Camex Limited Plans to set up a new Plastic Chemical Plant at GIDC Ankleshwar. The new plant will have initial manufacturing capacity of 5000 MT p.a. The company has already earmarked an investment of 100 Million Rupees for new venture. The first phase would be operational from March 2016. This expansion will take advantage of the synergies of its existing skills in chemical manufacturing, distributing & marketing and contribute positively to the company's future earnings. In long term the company hopes to become one of the leading players in textiles and plastic Chemicals.

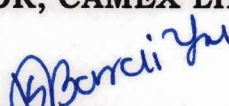

About Camex Limited:

Camex Limited is engaged in production of Reactive Dyes, Acid Dyes, Direct Dyes and Textiles Auxiliaries with its manufacturing plant located at Ankleshwar in the state of Gujarat the hub of dye industries. Camex Limited has recently entered in to a sole selling Arrangement with Tianjin Yadong Longxin International Limited a company based in Republic of China for Indian market for the range of basic intermediates like H.Acid, Tobias Acid, Sulfo Tobias Acid and J.Acid. The association would help Camex Limited to exploit its present marketing network along with Tianjin Yadong Longxin International Limited, expertise to sell Products in Indian market.

The Above information may be disseminated to the members of the Exchange.

Thanking You

FOR, CAMEX LIMITED

KALPESH B. BARAIYA
(Company Secretary & Compliance Officer)
